*Proceedings of the Madras Government, Public Works Department,
12th December 1870.*

No. 227. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Calicut, 24th November 1870, No. 183 :—

I HAVE the honour to request that the Controller of Public Works Accounts may be authorized to pass the pay of one Writer and Accountant at Rupees 15 a month, and two Lascars at Rupees 6 each, total per month Rupees 27, being the establishment employed under Supervisor Coopposawmy Rajoo at Cochin, under the head of "Temporary Establishments" under Part IV. of the Budget; to which head, if necessary, a sum of Rupees 135, being the total of this establishment for five months from October 1870 to February 1871 inclusive, might be transferred from the allotment for "Petty Establishment Imperial" in favour of the 7th Division.

2. As this saving was available, and not wishing to trouble Government with a reference in this matter, I sanctioned the establishment from this source; but the Controller states that he is not competent to pass the pay of the Lascars to debit of "Establishments" without the special sanction of Government, though he has passed the pay of the Clerk as proposed by me. He has transferred the charge of Lascars to the head of "Minor New Works," under which no funds are available in Malabar.

3. I take this opportunity of requesting that the Controller may also at the same time be authorized to pass for 1871-72 the total charge of Rupees 27 a month to debit of "Temporary Establishments," in the same manner as the establishments of extra Overseers are treated under paragraph 3 of G. O., No. 1,137, of 28th April 1865.
