No. 250. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 26th November 1870, No. 2,880:—

With reference to your memorandum without date, No. 116, I have the honour to observe G. O., of the 3rd August last, No. 1,846, directed me "to provide such a sum in my Budget for the ensuing official year as will suffice for clearing the jungle, and for the preparation of a survey of the road to connect Jeypore with the Vizagapatam District by the Pachipentah Ghaut." This has accordingly been done, and I beg to add that the necessary surveys and estimates for this work cannot be undertaken till the hot weather sets in, as the country about there is far too feverish for any survey parties to proceed to the duty at this time of the year.

No. 251. ORDER THEREON, 13th December 1870, No. 3,017.
