*Proceedings of the Madras Government, Public Works Department,  
14th December 1870.*

No. 270. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp at Atmakoor, Nundikotkoor Talook, Kurnool, 26th November 1870, No. 1,746:—

I HAVE the honour to forward the enclosed copy of a letter\* from the Deputy Director of Post Offices in India, received under endorsement from the Postmaster General, Madras, and to request the Orders of Government, as from G. O., No. 1,181, dated 4th May 1870, I am led to believe that the allotment of Rupees 10,000 for this Presidency is not available.

2. If this is the case and Government are unable to provide funds from any other source, the estimate amount, Rupees 447, will have to be met from the balances available from under "Minor Works Civil Buildings" in the Kurnool and Cuddapah Districts, but this course seems inexpedient, as it would be a great drain upon the allotments which were given for other purposes.

3. The Post Office at Nundial, I may say, is in very bad order, and from reports received in this Office, it is evident that the building requires immediate attention.

From the Officiating Deputy Director-General of the Post Offices of India, to the Postmaster General, Madras, dated Simla, 2nd November 1870, No. 3,526.

IN returning the original enclosures of your endorsement, No. 163-2,711, dated 18th October, I beg to accord my sanction to the estimate, amounting to Rupees 447, for the repairs of the Nundial Post Office building.

2. The money can be provided from the sum of Rupees 10,000 available for Minor Works in the Madras Presidency, under the Government of India, Public Works Department, Resolution No. 219, dated 9th July 1870.

No. 4,404-2,711.

TRUE copy forwarded to the Superintending Engineer, 3rd Division, for information, with reference to his letter No. 204-B., of the 22nd ultimo, with a request that he will address the Government, as it now appears that the amount can be obtained from the allotment alluded to above by the Director-General.

2. The estimate for Rupees 447 and papers received with it are herewith sent.

MADRAS,  
19th November 1870.
