Sir,
I have the honor to enclose
two documents (as per margin) for repair
to the Buildings used by this
Department in the Fort as Store Godowns.

2 The floors are at present
infested with white ants, and the ceiling
(as reported in my letter No 1046, dated 25th
October 1870) has decayed so much that
Government has already sustained loss.
And there is danger in the storage of bales
of Army clothing in the interval
between the arrival of the bales and their
despatch to Secunderabad.
