Proceedings of the Madras Government, Public Works Department,
19th December 1870.

No. 423. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Chepauk, 3rd December 1870, No. 1,899 :—

In G. O., No. 2,445, dated 11th October 1870, a reduction of Rupees 55,800 was ordered in the grant for Repairs, Communications, for this Presidency.
One Statement.

2. Enclosed is a statement showing the deductions, calculated at 6 per cent. on grant, actually made by the Superintending Engineers.

3. Between the total of this statement and the amount transferred by Government, there is a difference of Rupees 53, which is owing to a sum of Rupees 1,586 having been diverted by Government* to New Works from the grant for Repairs, Communications, in Tanjore.

4. In order to make good the deficiency, I would suggest that a transfer of Rupees 53 be made from the unallotted balance† of the grant for navigable canals in the Tanjore District in Part III. of the current year's Budget.
