19th December 1870.*

No. 427. Read the following Endorsement of the Chief Engineer for Irrigation, dated Kistna Delta, 10th December 1870, No. 249 :—

From the Executive Engineer on special duty, Madura District, to the Chief Engineer for Irrigation, on Circuit, dated Madura, 2nd December 1870, No. 270.

As I find I can employ an additional office establishment with advantage and economy in the preparation of the designs and estimates of the Perryaur project, I have the honour to request you will permit me to entertain the following extra hands from the 15th instant. Their services will probably be required to the end of the current official year :—

|                                                     | RS. |
|-----------------------------------------------------|-----|
| 1 Draughtsman and Estimator at Rupees 60 per mensem | 60  |
| 1 Draughtsman ... ..                                | 40  |
| 1 Calculator ... ..                                 | 35  |

As it is advisable that the designs and estimates for the Perryaur project should be completed as early as possible in order that Mr. R. Smith's services may become available for other duty, and as the increase for a few months of the strength of that Officer's establishment will reduce the cost of the preparation of the project, I beg to recommend that the increase asked for be sanctioned.

Chief Engineer for Irrigation.

No. 428. ORDER THEREON, 19th December 1870, No. 3,096.

**ESTABLISHMENT, No. 34.**

UNDER the circumstances brought to notice in this letter, His Excellency the Governor in Council sanctions the employment, during the remainder of the current official year, of the additional establishment as per margin applied for by Mr. Smith for the preparation of the plans and estimates of the Perryaur project. The cost will be charged to the Budget grant for temporary establishments.
