*Proceedings of the Madras Government, Public Works Department,
20th December 1870.*

No. 439. Read the following letter from the Under-Secretary to the Government of India, Public Works Department, (Railway,) to the Secretary to the Government of Madras, Public Works Department, (Railway,) dated Fort William, 10th December 1870, No. 1,993-R. :—

I AM directed to acknowledge the receipt of your letter No. 2,765, dated 17th November 1870, and, in reply, to convey the sanction of the Governor-General in Council to an expenditure of Rupees 28,990 for eight girders, with bracing frames and bolts, for the Madras Railway, to replace those destroyed at the Cheyaur bridge on the North-West Line by a flood on the 21st October last. This sanction is accorded, as it is understood that girders of an exact length are required, and that they are not in store on other Railways. His Excellency in Council desires to receive the proposals of the Madras Government as to the incidence of the cost of these new girders.

2. This sanction has been registered in this Office as No. 20-M.R. of 1870-71.

RAILWAY, No. 44.

COMMUNICATED to the Consulting Engineer for Railways in continuation of G. O., No. 2,764, dated 17th November 1870.
