I have the honour to submit herewith for sanction two plans and an estimate, amounting to Rupees 410, for improve-

ments to the Talook Cutcherry and Police Station-houses at Chittoor.

2. The details of the improvements are given in paragraphs 59 and 62 of the Subsidiary Jail Committee's Report, printed with G. O., in the Public Works Department, No. 839, 13th March 1868, in which an estimate is called for.

as per margin, together with that of the new Jail approved for the same station in the second of the Government orders

above referred to, and the expenditure incurred upon both amounts to Rupees 2,763-11-11. The works are now in abeyance, with reference to G. O., No. 2,481, dated 28th July 1869.

4. As regards the delay in the submission of the estimate, I observe that Lieutenant Walker included the new Jail work and improvements in one estimate, and treated both as one work in his "Progress Report." This estimate was examined and returned to the Range Office for revision in May 1870, and was received back in this office on the 15th August following. It was not submitted at once, as it was intended to forward at the same time all the estimates that were due for Subsidiary Jails.

No. 454. ORDER THEREON, 20th December 1870, No. 3,109.

CIVIL WORKS, No. 36.

THE Government sanction the estimate of Rupees 410 for the improvements to the Talook Cutcherry and

Police Station-houses at Chittoor, which were proposed by the Subsidiary Jail Committee and approved in Proceedings of the Judicial Department, dated 4th March 1868, No. 839.

2. The Superintending Engineer does not state whether any and what expenditure has been incurred on these improvements. He will now furnish this information and report whether he can provide funds for the completion of the work.
