*Proceedings of the Madras Government, Public Works Department,
21st December 1870.*

No. 463. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 28th November 1870, No. 2,912:—

IN forwarding herewith copy of a memorandum received from the Controller of Public Works Accounts, I have the honour to report, for the information of Government, that on a proposal made by the Executive Engineer in charge No. 3

Range, Godavery, to place Delta Superintendent M. Bhaskarow in charge of the Peravalli Sub-division during absence on privilege leave of Talook Overseer T. Ramaswamy, I caused an entry to be made in the Return of Promotions, etc., submitted to the Controller, to the effect that Bhaskarow had been appointed to act for Overseer Ramaswamy during the absence of the latter on privilege leave. This I did solely on the recommendation of the Range Officer, and with a view to Bhaskarow becoming entitled to double horse allowance for the extra duties imposed on him. By this course no extra charge, it will be observed, would have devolved on Government, as no travelling allowance could be drawn during Overseer Ramaswamy's absence on leave.

2. As the Controller now objects to pass the travelling allowance claimed on behalf of Delta Superintendent Bhaskarow, I request that, under the circumstances stated by me, the necessary orders may be issued for admitting the claim made in the accompanying bill.

No. 464. ORDER THEREON, 21st December 1870, No. 3,114.

ESTABLISHMENT, No. 38.

His Excellency the Governor in Council authorizes the Controller of Public Works Accounts to pass under the

rules double travelling allowance to Delta Superintendent Bhaskarow for the period during which he may perform the duties of Talook Overseer Ramasawmy in addition to his own.

2. Major Fischer should have obtained the previous sanction of Government to the arrangement reported in this letter, and he will in future adopt this course in all similar cases.
