*Proceedings of the Madras Government, Public Works Department,
21st December 1870.*

No. 469. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 16th December 1870, No. 3,884 :—

With reference to Government Order, No. 2,707, dated 11th November 1870, authorizing the transfer of a sum of Rupees 100 from the work of adding to and altering the Rancepett Dispensary sanctioned on an estimate of Rupees 1,200 in G. O., No. 1,203, dated 7th May 1870, to the work of sinking a well at the same Dispensary, the estimate for which, amounting to Rupees 350, was approved in G. O., No. 2,618, dated 2nd November 1870, I have the honour to report that, as the first named work is being executed under the supervision of the Rev. Dr. Scudder, the unexpended balance of the advance made to him will have under the rules to be paid by him direct into the Treasury; but as I wish to utilize the amount in the sinking of the well in the compound of the same building, I request the permission of Government to the transfer of the money to the Executive Agent, Wallajah Range.

2. The Controller of Public Works Accounts, to whom I wrote on this subject, informs me that it is not in his power to authorize the arrangement adverted to.

No. 470. ORDER THEREON, 21st December 1870, No. 3,117.

ACCOUNT, No. 42.

THE Superintending Engineer of the 4th Division will be informed that the unexpended balance of Rupees 100 referred to should, in accordance with the rules, be paid into the Treasury. When this is done the Superintending Engineer may add the amount to the allotment for the Wallajah Range, the Officer in charge being supplied with funds in the usual course.
