*Proceedings of the Madras Government, Marine Department,
17th January 1870.*

No. 22. Read the following letter from the Master Attendant, Madras, to the Acting Chief Secretary to Government, Fort Saint George, dated Madras, 7th January 1870, No. 75.

Administrative Department.]

I have the honour to report that, in July last, it was ascertained that the lantern at Santopillay required certain repairs, and as they were of an emergent nature, the Superintending Engineer of the district was requested to execute them as soon as possible, and the opportunity was availed of to fix a lightning-conductor to the light column, which was struck by lightning in a cyclone in 1868. These works having been carried out by the Superintending Engineer, 1st Division, I now solicit sanction for the expenditure, viz., Rupees (288) two hundred and eighty-eight, the amount being provided from the current year's Budget, under the head F. 19, No. 3, Light-houses.

No. 23.

ORDER THEREON; 17th January 1870, No. 21.

His Excellency the Governor in Council sanctions the expenditure, amounting to Rupees 288, incurred for repairing the Lantern, &c., of the Santopillay Light-house.
