Proceedings of the Madras Government, Public Works Department, 28th January 1870.

No. 684. Read the following letter from Major C. S. HEARN, Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 25th January 1870, No. 499 :—

WITH reference to G. Os., dated 20th December, No. 3,994,* and 29th December 1869, No. 4,008, Public Works Department, I have the honour to submit, for the information of Government, a statement showing the amount of estimates already sanctioned for repairs of Police Station-houses for the current year from the original repair grants of Public Works Department and Police Budget of Rupees 7,800.

* Directing that the expenditure on Police buildings should be restricted, as far as possible, to the sum actually provided in Budget Estimate for 1869-70.

2. Government has, in paragraph 11† of G. O., No. 4,008, required that a further sum of Rupees 850 for works executed in 1868-69, but for which adjustment was not made during that year by Department Public Works, should be appropriated from other works.

† The Inspector-General of Police will accordingly report *at once* from what allotments of the current official year he would recommend the diversion of the money required to adjust the aggregate outlay of Rs. 865.

3. The repairs sanctioned‡ are almost all emergently required to save Government buildings from further dilapidation. Most of them have been executed or are in progress, while further calls of an emergent nature may be expected.

‡ Rupees 5,717-1-5.

4. Under these circumstances I request that Government will sanction the disbursement, by the Department of Public Works, of the whole sum originally granted to this department for repairs both in Police Budget and Department Public Works Grant, viz., Rupees 7,800, instead of Rupees 3,900 sanctioned in the Budget of Public Works Department, otherwise a great loss will inevitably accrue to Government.
