*Proceedings of the Madras Government, Public Works Department,
28th January 1870.*

No. 699. Read the following letter from the Controller of Military Accounts, to the Secretary to Government, Military Department, dated Fort St. George, 15th January 1870, C.

I HAVE the honour to forward a letter from the Quartermaster-General, dated 8th January 1870, No. 147, with enclosure, bringing to notice that, owing to the want of funds, the Executive Engineer at Trichinopoly has not paid the rents of the houses occupied by the Military subordinates at that station for the months of November and December 1869, and requesting sanction for the payment of the same.

2. The charge is payable by the Department of Public Works; and, if the cash assignment of the Executive Engineer of the Trichinopoly Range be insufficient to meet it, the sanction of Government in that department may be obtained for the appropriation of funds that may be available in other ranges or under general savings in the Public Works Budget.

3. Failing these, the charge might specially be met from savings under Grant 14 of the Military Budget Estimate; but, as no provision has been made therein for such charges, it is undesirable that this should be resorted to except under urgent necessity.

TRANSFERRED with No. 210 of 1870 to the Department Public Works.

FORT ST. GEORGE,
18th January 1870.
