No. 701. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government Public Works Department, dated Bezvara, 8th January 1870, No. 138

I HAVE the honour to forward a list of Petty Establishment required for 1870-71 for this division. The nature of the duties to be performed by each class of men has been stated in the column of Remarks: The lists received from Range Officers have been carefully scrutinized in this office, and the number and amount reduced to the lowest possible scale. The total sum now applied for has exceeded the amount sanctioned in G. O., No. 1,829, of 10th June 1868 by Rupees 1,058; but, as any further reduction may affect the efficiency of the public service, I request that the Controller of Public Works Accounts may be authorized to pass the bills to that amount.

Statement of Petty Establishment to be employed on General Duties in 2nd Division in 1870-71—Imperial Works.
