SUBMITTED for the consideration and orders of Government.

2. There is no copy of Mr. Hall's Covenant on the records of this office; but it appears that, having contracted† with the late Honourable East India Company for service in this country as an Overseer, he did duty in the Madras Presidency until the 15th June 1863, when he proceeded on leave to England. During his stay there he received notice in due form that his services would be dispensed with at the expiration of one year, calculated from the 22nd April 1864. This, it is believed, was done on the recommendation of this Government and consequent on the reductions made in the Public Works Establishment during the year 1863. At Mr. Hall's special request his full salary for twelve months was paid to him at once, and, in a letter from the India Office under date the 9th June 1864, Mr. Hall was informed that he was at liberty "to accept immediately any employment" which might be offered to him.

† 19th January 1855.

3. On the 4th February‡ 1868 Mr. Hall was re-appointed to the Public Works Department of this Presidency, but as an Uncovenanted Officer, in the position of Sub-Engineer of the 2nd Grade, and is now attached to the Nellore District, where he has charge of the Northern Range.

‡ Mr. Hall did not join until the 18th June 1868.

*Proceedings of the Madras Government, Public Works Department, 28th January 1870.*

4. Mr. Hall's connexion with the department having been terminated under a special proviso contained in his Covenant with the late Honourable East India Company, it remains for Government to determine whether, under the peculiar circumstances of his case, his present request to be allowed to count his former service for pension on refund of the £300 paid to him in 1864 can be entertained.

For Orders

In a Notification dated 28 October 1869 published in the Fort St George Gazette of the 2d Nov 69, the Government direct that all persons who may have been re-employed prior to the 15th Sept/12 after having received gratuities for former service should forfeit their claims within three months if desirous of availing themselves of the option of securing the benefit of reckoning their former service towards pension.

I do not think that in the case of Mr Hall I should be justified in departing from the strict letter of the Rules in order to admit him to the benefit of a pension on account of his previous service. I would therefore submit that the application be rejected.

notification in question, a

from Mr Asst. Engineer Hall

the reductions which were ef-
fected on the reorganization
of the Dept. in that year,
the Home Govt were requested
to serve Mr Hall with the
twelve months notice pre-
quired by the terms of his
Covenant, of his services being
no longer required by this
Govt. This was accordingly
done in April 1864, and at
Mr Halls special request
his engagement was ter-
minated by the payment
to him of his salary for
12 months.

In February 1868, Mr
Hall was reappointed to the

officer. He now wishes to reckon towards pension his service under Covenant extending over a period of 9 years and 3 months, on the refund of the 300 £ paid to him in 1864.

Since his reappointment and during his employment in the Godavery District, the unfavorable report recorded in the accompanying G. O. No. 526 dated 19 February 1869 was received from the Supt. Engineer of the 1st Division, but it will be observed from the report enclosed with G. O. No. 3455 dated 27 Oct. 1869, that since his transfer to the 2d Division, he has done his work very satisfactorily.

Orders are requested.
