No. 17. Read the following letter from the President of the Madras Municipal Commission, to the Secretary to Government, Public Works Department, dated Madras, 28th January 1870, No. 67-E :—

I HAVE the honour to request that you will bring to the notice of His Excellency the Right Honourable the Governor in Council that the Municipality is under a great disadvantage in the matter of carrying out the distribution works from want of a qualified person to assist the Executive Engineer.

2. The works are of such an important nature that a subordinate of some experience and standing ought to be in immediate charge, but I have not yet been successful in obtaining such a person.

3. It has been brought to my notice that Soobroyen Auchary, a Supervisor in the 4th Division, is duly qualified, and I shall therefore feel obliged if you would move the Government to place his services at my disposal for a period of six months. During the time he is so employed, I shall be prepared to allow him 200 rupees a month as pay and allowance.

No. 18. ORDER THEREON, 2nd February 1870, No. 384.

ESTABLISHMENT, No. 3.

As OWING to the stoppage of all new works the services of Supervisor S. Soobroyen Auchary can without inconvenience be spared for a time, His Excellency the Governor in Council resolves to authorize their being placed for a period of six months at the disposal of the Municipal Commission at Madras, for employment on the works of the Water Distribution Project.
