Proceedings of the Madras Government, Public Works Department, 2nd February 1870.

No. 32. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 21st January 1870, No. 2,007:—

In acknowledging the receipt of the orders of Government of the 19th instant, No. 211, I have the honour to report that the actual expenditure on the Perryaur Ghaut road in the Madura District during the current official year (*i. e.*, from 1st April to 30th November* 1869) amounts to Rupees 14,612, being Rupees 4,612 in excess of the amount appropriated from Local funds.

* The accounts for December 1869 have not yet reached this office.

2. As the Board of Revenue state that it is impossible for the Road fund of the Madura District to contribute any further sums to the Perryaur Ghaut road, I have the honour to request the orders of Government as to the manner in which the excess expenditure noted above should be adjusted, and from what source, in the event of operations being continued, future outlay on the line should be met.

No. 33. Order thereon, 2nd February 1870, No. 392.

ACCOUNT, No. 4.

The Government will endeavour before the close of the year to adjust the excess outlay of Rupees 4,612 on the Perryaur Ghaut road from the savings which it is hoped will be effected by the stoppage of new works under G. O., No. 4,015, of the 28th December 1869.

2. The Controller of Public Works Accounts will arrange for the transfer of the amount from the debit of Local to Imperial funds under which head all expenditure should be at once brought to a close.
