*Proceedings of the Madras Government, Revenue Department, 26th January 1870.*

No. 290. Read the following Proceedings of the Board of Revenue, dated 22nd January 1870:—

Read the following letter from R. F. CHISHOLM, Esq., Architect, Madras, to the Acting Secretary to the Board of Revenue, dated Madras, 8th November 1869, No. 366.

WITH reference to correspondence regarding cash-chests for the Talook Cutcherries, I have the honour to request that you will supply me with a list of the various sub-divisions required in the chest, as well as the size or cubical contents of each compartment in feet and inches.

WITH reference to their discussion with Mr. Chisholm at the last Board's meeting, the Board resolve to request Government to sanction the construction of a specimen chest by Mr. Chisholm. The arrangement of the compartments is a difficult matter, and it appears likely that this will be the most satisfactory course.
