Proceedings of the Madras Government, Public Works Department, 3rd February 1870.

Read the following papers:—

No. 49. From the Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, dated Madras, 7th January 1870, No. 8.

G. O., No. 1,767, dated 5th June 1868.

THE Accountant whose appointment was sanctioned in Public Works Department, No. 435-R, of 13th April 1868, and who is the only Assistant allotted to the Examiner of Railway Accounts for transacting his work at the Royapooram Terminus, has applied for one month's privilege leave. Captain Moberly in recommending it suggests the appointment of a substitute for the period of Mr. Johnson's absence on payment of the usual deputation allowance.

2. I have no hesitation in stating that it is impossible for Captain Moberly to conduct his work efficiently, even for so short a period as one month, without an Assistant, and, as none of the Accountants in my office are equal to the duties, I have the honour, with advertence to the Notification published in the *Fort Saint George Gazette* dated the 20th April 1869, page 562, to request that the sanction of Government may be obtained for the entertainment of a substitute, and the payment to him of the usual deputation allowance.

REFERRED to the Controller of Public Works Accounts for report.

No. 50. Report of the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 11th January 1870, No. 1,928.

THE establishment attached to the Office of the Examiner of Railway Accounts consists of only one Accountant on Rupees 250 per mensem.

2. As Examiner of the Accounts of the Madras Irrigation and Canal Company Captain Moberly is allowed one establishment of one Accountant on Rupees 90 and a Peon on Rupees 7, in all Rupees 97 per mensem.

3. In the event of Mr. Johnson being granted privilege leave there is no one available on either of Captain Moberly's establishments to fill his place, and as, owing to the heavy work devolving upon the Office of the Consulting Engineer for Railways, it has been found necessary to strengthen it by the additions marginally noted, it will not be possible to depute any person from that establishment to undertake Mr. Johnson's duties.

One Indexer on Rupees 50.
One Clerk on Rupees 30.

4. Under these circumstances the application of the Government Examiner for permission to employ a substitute during Mr. Johnson's absence seems reasonable and deserving of the favourable consideration of Government.

5. The additional expense involved in this arrangement can be met from savings on the Budget grant for State outlay on guaranteed Railways under the head "Establishments."

No. 51. ORDER THEREON, 3rd February 1870, No. 401.

RAILWAY, No. 5.

UNDER the circumstances brought to notice in these papers the Government authorize the appointment of a substitute for Mr. Johnson during his absence on privilege leave, the charge for deputation allowance being met in the manner proposed by the Controller.
