Clause 2 of paragraph 11 of Financial letter to the Government of Madras, dated 31st March last, No. 2000-A, allowing a Budget provision of Rupees 1,92,000 under "Salt" for construction and repairs of petty works in 1869-70, subject to the submission of the detail of works to be executed from the allotment.

Read—

A letter from the Government of Madras, No. 263, dated the 15th June 1869, forwarding the detailed list required.

Read also—

Public Works, No. 702-A, dated 21st August 1869, stating that the whole of the items shown in the detailed list are properly chargeable to the *Civil* Budget Estimate.

RESOLUTION.—Referring to the observation of the Public Works Department that the entire provision for "petty construction and repairs" may be allowed in the Civil Estimates, the Governor-General in Council remarks that this provision includes Rupees 16,161 for Police buildings, which should be met from the Public Works allotment; for though heavy charges are allowed in the Civil Estimates for buildings in the Salt Department, yet that provision is mainly designed for works for the manufacture and storage of salt. Huts for Police Guards in the Salt Department, who are paid from the Police grant, are chargeable in the same manner as huts for the rest of the Civil Constabulary, viz., to the Public Works allotment.

2. His Excellency in Council further desires that the sum of Rupees 25,000 which is entered as a reserve be struck out.

3. With these modifications, the grant for "petty construction and repairs" for 1869-70 in the Civil Estimates, Madras Presidency, is reduced by Rupees 41,161.

Ordered that the foregoing Resolution be sent to the Public Works Department, the Government of Madras, the Accountant-General of that Presidency, and the Comptroller-General of Accounts.
