Proceedings of the Madras Government, Judicial Department, 26th January 1870.

Read the following papers:—

No. 111. From the Inspector-General of Jails, to the Chief Secretary to Government, Fort Saint George, dated Madras, 17th January 1870, No. 197.

I have the honour to submit, for orders, a communication from Captain McLeod, Superintendent of the Central Jail at Vellore, regarding his salary and that of the Medical Officer and Police.

2. Under existing orders the disbursement has hitherto been made by the Public Works Department; but the Assistant Engineer in charge of the Range has declined to pay the salaries for December last, on the ground that orders have been issued directing that all work on the Central Jail should be stopped, and consequently that he is unable to continue the payments.

Judl. Dept., 8th Feb. 1869, No. 185.

3. The sum of Rupees 9600 was provided in the estimate of the Jail Department for 1869-70 on account of the Superintendent's salary; but none of this is now available in consequence of the transfer of Rupees 1,15,000 from the Budget grant.

Referred to the Accountant-General for early report as to whether funds can be provided from any other head of Budget grant for the payment of the salaries referred to in this letter.

With reference to Mr. Under Secretary Stokes' endorsement, dated 19th instant, on a letter from the Inspector-General of Jails, I have the honour to note in the margin the actual expenditure of the past eight months under the head Jails, against the total grant for the whole year, which shows a probable saving of Rupees 30,000 at the end of the year.

As it appears from the Accountant-General's letter, dated the 24th instant, No. 331, that there will be a probable saving of about Rupees 30,000 at the end of the current official year in the Budget assignment for Jails, His Excellency the Governor in Council resolves to authorize the disbursement of the salaries of the
