Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated camp at Cannanore, 11th November 1869, No. 128.

I HAVE the honour herewith to submit an estimate of Rupees 1,730, with illustrative plan of the alterations to fit the Cannanore Garrison Hospital for a Talook Cutcherry, approved in paragraph 2 of Government Order in the Revenue Department, No. 848, of 31st March.

1 Estimate, No. 36 of 1869-70.
1 Plan.

2. No funds being at present available, I presume that the work cannot be undertaken till next official year, when possibly it may be provided for from the reserve of 1870-71.

REFERRED to the Revenue Department, with reference to the Order in that department, No. 848, of the 31st March 1869.

REFERRED to the Board of Revenue for their remarks.

(Signed) R. A. DALYELL,

ENCLOSURE No. 1.—Estimate.

ENCLOSURE No. 2.—Plan.

THE Board observe that the further improvements proposed by the Collector, and approved of by Government in their Order, dated the 31st March 1869, No. 848, have been provided for in the estimate. The general alterations are estimated to cost Rupees 1,110, the covered way from the treasury to the talook-rooms, Rupees 450, and a mud fence, Rupees 170. This last is apparently in lieu of the hedge suggested by Government in the Order above quoted.

No. 287. ORDER THEREON, 26th January 1870, No. 141.

Miscellaneous.

THE estimate submitted by the Superintending Engineer, 7th Division, for making additions and alterations to the late Garrison Hospital at Cannanore to adapt it for a Talook Cutcherry, amounting to Rupees 1,730, is approved. Orders will be issued from the Public Works Department for the provision of the funds required when available.
