Proceedings of the Madras Government, Public Works Department,
9th February 1870.

No. 152. Read the following letter from Major C. S. HEARN, Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 4th February 1870, No. 753 :—

I HAVE the honour to forward copy of letter from the Controller of Public Works Accounts enclosing a communication from the Superintendent of Police, South Malabar.

2. In the list of appropriations furnished to the Controller of Public Works Accounts agreeably to G. O., No. 2,928, of 6th September 1869, this sum was inadvertently included in the amount allotted to Wynaad, and in consequence the Superintending Engineer has not been able to disburse it.

3. I request that sanction of Government may be obtained for the disbursement of this sum to the Superintendent of Police, South Malabar, to enable him to adjust the advance made to him from the District Treasury.

From the Controller of Public Works Accounts, to the Assistant Inspector-General of Police, dated Madras, 3rd February 1870, No. 98.

IN continuation of my letter, No. 312, of the 11th ultimo, I have the honour to forward one, No. 2, dated 27th idem, and its enclosures, from the Superintendent of Police of the South Malabar District, and to request that you will be so good as to move the Government to authorize the Superintending Engineer, 7th Division, to provide the necessary funds to meet the expenditure of Rupees 65 incurred by the Superintendent of Police. Until this amount is drawn from the Public Works Department no place can be found in the books of this office to adjust the outlay in question.

From the Superintendent of Police, South Malabar, to the Controller of Public Works Accounts, dated Calicut, 27th January 1870, No. 2.

REFERRING to your letter, dated 24th instant, No. 838, I have the honour to state that Rupees 65 having been received direct from the Deputy Collector in charge of Treasury, Malabar, the amount was not included in the account current between the Police and Public Works Departments.

2. I beg to explain that Government having in their G. O., dated 10th June 1869, No. 968, transferred from the allotments of other districts Rupees 189 on account of emergent repairs to Police buildings in South Malabar, Rupees 124 as required for the Wynaad were received from the Special Executive Engineer ; but, when the Superintending Engineer was applied to for the remaining Rupees 65 which were required at Calicut, he remarked on the estimate that no funds were available, in which the Assistant Inspector-General also concurred ; accordingly the amount was drawn in July from the Malabar Treasury. As the Deputy Collector calls upon me to repay the amount in cash, I have the honour to request that steps may be taken towards an adjustment with the Accountant-General, especially as the amount had been drawn before the G. O., dated 20th December 1869, No. 3,994, re-transferring Rupees 48,200 to the Civil Budget, was received.

No. 153. ORDER THEREON, 9th February 1870, No. 454.

ACCOUNT, No. 21.

As, SINCE the date of the orders quoted by the Inspector-General of Police in paragraph 2, the sum of Rupees 48,200 has been re-credited to the Civil estimates, and a specific assignment of funds is, therefore, necessary to cover the outlay of Rupees 65 referred to, Major Hearn will state from what particular Divisional grant in the Public Works Budget the amount can be transferred.
