Proceedings of the Madras Government, Public Works Department,
9th February 1870.

No. 160. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coonoor, 15th January 1870, No. 165:—

THE Controller having intimated to me that out of the sum of Rupees 8,100 sanctioned in G. O., No. 1,829, of 10th June 1868, for petty establishment in this division, Rupees 7,661-2-10 have already been audited and passed, leaving a balance of only Rupees 438-13-2 for the remainder of the current year, and that he will be precluded from passing further bills on that account in excess of the allotment without the special sanction of Government; and having suggested that their sanction be obtained for his passing the excess charges as may be incurred during the remaining portion of the year against the general allotment for establishments, I have the honour to request that such sanction be accorded. I estimate the further requirement to be Rupees 2,370.

2. The excess is attributable to the expenditure incurred on account of the Apprentices in the Neilgherry Range whose pay, etc., was authorized to be debited to the head of petty establishment in G. O., No. 180, of 19th January 1865, and who were not included in the estimate of the cost of petty establishments sanctioned in the G. O. quoted at the head of this letter.

No. 161. ORDER THEREON, 9th February 1870, No. 458.
