No. 200. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Tanjore, 7th February 1870, No. 1,275:—

With reference to G. O., No. 403, dated 3rd instant, I have the honour to observe that it is stated in paragraph 2 that the Iyaur bridge may be proceeded with if I can provide funds for it. Is it meant if funds are available from the allotment* made in G. O., No. 3,774, dated the 29th November; if so, funds are available.

* Rupees 19,000.

2. With regard to the Rupees 10,075, which were transferred from Repairs to New Works for the express purpose of meeting the proposed expenditure on the Court-house at Tanjore, I submit that if that amount is not to be expended on the Court-house, the balance, which is still unexpended, should, in fairness to the works in the Division, be re-transferred to repairs, and thus be rendered available for expenditure.

3. I observe that no specific orders have been issued relative to the stoppage of the salary of the Superintendent of the Central Jail and of the staff pay of the Medical Officer, etc., which are now paid from the estimate for the Central Jail at Trichinopoly.

No. 201. Order thereon, 11th February 1870, No. 478.

CIVIL WORKS, No. 28.

The Superintending Engineer of the 6th Division will be informed that the orders of the 3rd February 1870, No. 403, allowing the progress of the Iyaur bridge to be continued, were intended to convey authority for the work being proceeded with in the event of funds remaining available from the total allotment of Rupees 49,000, after deducting the expenditure which may have been previously incurred during the current official year, as well as the payment which has been made to the Presidency Workshop of Rupees 30,000 in January last.

2. Looking to the large outlay which has taken place on New Works throughout the Presidency in excess of, or without, allotments, and which will have to be adjusted before the close of the year, His Excellency the Governor in Council is not prepared to accede to the recommendation contained in paragraph 2.

3. Paragraph 3 will be communicated to the Judicial Department with a view to its being considered with reference to the Order in that Department, No. 128, of the 26th January 1870, whether the charges marginally noted can be provided from savings in the Budget Estimate of the Jail Department.

Pay of the Superintendent, Medical Officer, and Police force of the Central Jail at Trichinopoly, per mensem, Rupees 1,275.

Vide paragraph 2 of letter embodied in G. O., No. 403, of the 3rd February 1870.
