Proceedings of the Madras Government, Public Works Department, 12th February 1870.

No. 225. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp at Hindoopoor, Hindoopoor Talook, Bellary District, 2nd February 1870, No. 3,125 :—

With reference to G. O., No. 3,892, dated 11th December 1869, I have the honour to inform you that, as yet, only three or four subordinates, who were required to furnish security, have applied to have their money returned.

2. As it appears from the Circular from the Government of India, printed at the head of the above Proceedings, to be quite optional for subordinates to take back their security, I beg to represent that this course would cause some trouble, as this office would have to maintain its record for each individual's security for an indefinite space of time, and perhaps be required, at irregular intervals throughout the year, to attend to applications to return the money, or portions thereof. I have, therefore, taken steps to return to every one his security money, and trust Government will approve of my having done so, as, being now an unrecognised deposit, there could be no legal claim upon such if required to reimburse Government in cases of loss.

No. 226. Order thereon, 12th February 1870, No. 491.

ESTABLISHMENT, No. 23.

The Superintending Engineer's proceedings as reported in this letter are approved.
