Proceedings of the Madras Government, Public Works Department, 14th February 1870.

No. 270. Read the following letter from the Acting Magistrate of Bellary, to the Acting Chief Secretary to Government, Fort Saint George, dated Madoddi, Madakserah Talook, 22nd January 1870, No. 4 :—

SANCTION for the construction of a dead-house in the compound of the Civil Dispensary at Bellary, at a cost of Rupees 1,330, was communicated to this office in Government Order, No. 1,137, dated 14th July 1869, with an intimation that no funds were then available.

2. I have just ascertained from the Superintending Engineer that no funds will be forthcoming for its construction even in 1870-71.

3. I have the honour to bring to the notice of Government that of all Dispensaries in the district, that at Bellary is the most important. It has no dead-house whatever, and corpses have to be examined in the verandah of an out-building which is in close proximity to the main building. It is most unadvisable that the construction of such a really necessary work should be deferred for more than another year, and I beg to request that funds, if possible, may be allotted.

FORWARDED to the Public Works Department, with reference to the Order in that Department, dated the 8th July 1869, No. 2,214.

FORT SAINT GEORGE,
3rd February 1870.

(Signed) J. I. MINCHIN,
Acting Chief Secretary.
