284-285.

Dated 15 - 2 - 1870.

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department, 15th February 1870.

No. 284. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coonoor, 1st February 1870, No. 175:—

One Estimate No. 42 of 1869-70.

I have the honour herewith to submit an estimate of 80,620 rupees for opening fifteen miles of Imperial Road No. XX. from near Talliparamba to the Canara frontier, being the Malabar section of the portion of that road alluded to in paragraph 3 of Revenue Board Proceedings, No. 6,878, of 28th September 1868. I had the opportunity of going over the trace and bridlepath of the line in company with Captain Bailey in November last, and found them most satisfactory as to gradient and general direction. The portion between the frontier and Hossdroog, in Canara District, has not yet been estimated for, the trace being still unfinished. Mr. Sub-Engineer Fernandez accompanied Captain Bailey and myself across the country, and is now working out the instructions he received from me with reference to its general direction.

2. I recommend that an allotment of 25,000 rupees be made for carrying out the earthwork within Malabar limits as soon as funds are available.

No. 285. ORDER THEREON, 15th February 1870, No. 521.

CIVIL WORKS, No. 36.

THE Government consider it very desirable that the portion of Road No. XX. from near Talliparamba to the South Canara frontier should be completed, and they accordingly approve of the estimate of Rupees 80,620, but looking to the present state of the Imperial allotment for Public Works, His Excellency the Governor in Council fears it will not be possible for some time to come to make any provision of funds for the work.

Superintending Engineer 7th Division

To

Colonel C. A. Orr R.E.
Secretary to Government P.W.D.
Madras.

Sir,

I have the honor herewith to submit an Estimate of 80,620 Rupees for opening 15 miles of Imperial Road No XX from near Palipparamba to the Canara Frontier; being the Malabar section of the portion of that Road alluded to in para 3 of Revenue Board Proceedings No 6878 of 28th September 1868. I had the opportunity of going over the trace and bridlepath of the line in company with Captain Bailey in November last, and found them most satisfactory as to gradient and general direction. The portion between the frontier and Nos Droog in Canara District has not yet been estimated for, the trace being still unfinished. Mr Sub Engineer Fernandez accompanied Captain Bailey and myself across the country, and is now working out the instructions he received from me with reference to its general direction.

2. I recommend that an allotment of 25,000 Rupees be made for carrying out the earthwork within Malabar limits as
