Proceedings of the Madras Government, Public Works Department, 15th February 1870.

No 301. Read the following Proceedings of the Government of India, Public Works Department, (Account—Irrigation,) dated Fort William, 6th January 1870, No. 2, A. I:—

COPY of the following forwarded to the Secretary to the Government of Madras in the Public Works Department for information and guidance.

(By Order,)

(Signed) G. CHESNEY,
Deputy-Secretary to the Government of India.

Extract from the Proceedings of the Government of India, Financial Department, No. 2,854, dated 30th November 1869.

Read again Financial Resolution, No. 1,466, dated 28th June 1869, inquiring (with reference to an increase of Rupees 19-13-4 monthly, sanctioned by the Government of Madras, to the establishment for petty irrigation-works in Ganjam) why the charge appeared in the Civil Department, after the re-transfer of such charges to the Public Works allotment by the Orders of 10th October 1867.

Read an Endorsement by the Home Department, No. 658, dated 30th October 1869, on a letter from the Government of Madras, explaining that Ganjam does not occur among the districts, detailed in the correspondence of 1867, the petty irrigation establishments of which were re-transferred to the Public Works Department by those orders.

RESOLUTION.—On referring to the Orders of 1867, it appears that they were passed on a report by the Government of Madras, "that His Excellency in Council "has resolved, on full consideration, that the charge of the maintenance of *all* "irrigation-works shall continue under the Public Works Department."

Adverting to this unqualified opinion, and to the inexpediency of charging expenditure of one kind in two departments, the Governor-General in Council directs that the charge in the Ganjam District be transferred to the Public Works allotment.

ORDER.—Ordered, that the foregoing Resolution be sent to the Home and Public Works Departments, and the Accountant-General, Madras.

No. 302. ORDER THEREON, 15th February 1870, No. 530.

IRRIGATION, No. 16.

COMMUNICATED to the Revenue Department, and to the Superintending Engineer of the 1st Division for information and guidance.

2. Major Fischer will state whether the establishment referred to is still maintained for the conservancy of the Mahanuddee embankments at Aska, and if so, at what cost.
