Proceedings of the Madras Government, Public Works Department, 17th February 1870.

No. 344. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Bazoarah, 10th February 1870, No. 160 :—

REFERRING to G. O., No. 3,863, dated 8th December 1869, I have the honour to request that you will inform me what the cost at Madras or Masulipatam originally was of the Rice-hulling Machine now at Nedamole; it arrived here in January 1865.

2. The late Superintending Engineer was told by somebody that it might be valued at Rupees 30,000, but I cannot find any authority for this conclusion, and believe that the machine could not have cost anything like that amount.

No. 345. ORDER THEREON, 17th February 1870, No. 553.

IRRIGATION, No 18.

Proceedings of Government in the Revenue Department, No. 1,828, of the 4th October 1864.
Do. No. 207, dated 3rd February 1865.

THE papers marginally noted will be forwarded to the Superintending Engineer of the 2nd Division, who will observe that the cost price of the Rice-hulling Machinery referred to, was £250.
