Proceedings of the Madras Government, Public Works Department, 18th February 1870.

No. 367. Read the following endorsement of the Superintending Engineer, 5th Division, dated Cuddalore, 8th February 1870, No. 184.

Read the following letters:—

From J. L. WILSON, Esq., Assistant Engineer, Salem, to the Superintending Engineer, 5th Division, dated Camp at Kristnagherry, 22nd January 1870.

I HAVE the honour to request you will be good enough to obtain for me one month's "privilege leave" from the 15th of next month. I have had none but "casual leave" since my return from sick leave on the 2nd October 1868, and I earnestly request that this application may be granted.

From J. L. WILSON, Esq., Assistant Engineer, Salem, to the Superintending Engineer, 5th Division, dated Salem, 5th February 1870.

I HAVE the honour to acknowledge the receipt of your letter, No. 616, dated 2nd February, accompanied with G. O., No. 217, dated 19th January 1870; but I submit that my case and that of Mr. Hawksworth are not parallel ones, as I joined my new range and reported myself to Captain Hindle within the time allowed. My chief reason for asking for leave now is to give my wife the benefit of sea air while it is comparatively cool, as she is, and has been, very ill, partly owing to unavoidable exposure to the sun during the last hot weather, and partly to continued attacks of fever. I know no one in Madras who can offer her a home, and I must, therefore, be with her. On these grounds I request that the leave applied for may be granted me as soon as possible.

SUBMITTED for the orders of Government through the Controller of Public Works Accounts.

2. Mr. Wilson has no executive charge at present, and the resignation of his appointment in the Department of Public Works was accepted in the Order of Government of the 1st February, No. 383.

(Signed) E. A. FOORD, Colonel, R. E.,
Superintending Engineer, 5th Division.

No. 363.

As Mr. Wilson's resignation, under date the 28th January 1870, was accepted by Government on the 1st instant, and as the Superintending Engineer, in his endorsement, states that Mr. Wilson has no executive charge, he cannot be considered a member of the Public Works Department, and consequently is not entitled to any leave.
