Proceedings of the Madras Government, Public Works Department, 23rd February 1870.

No. 451. Read the following letter from the Deputy Secretary to the Government of India, Public Works Department, (Account—General,) to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 7th February 1870, No. 58 A. G:—

I AM directed to acknowledge receipt of your letter, No. 234, dated 20th January 1870, and, in reply, to refer you to Public Works Department Resolution, No. 28 A. I., dated 4th February 1870, as to the procedure to be followed in debiting the grant for Extraordinary Irrigation works with charges for Establishment and Tools and Plant.

2. As regards the outlay on famine relief works, I am to say that the Governor General in Council regrets that this cannot be treated as additional to the Public Works grant—*vide* my letter, No. 14 A. G., dated 12th January 1870. I am, however, to add that the Government of India have under consideration a proposal whereby the charge for Police buildings for 1869-70 would remain as a charge against the Civil Budget-Estimate, and that if this is sanctioned it will admit of the Government of Madras making the necessary appropriation of Budget credits for famine relief works with less difficulty than would otherwise be the case.
