Proceedings of the Madras Government, Public Works Department, 23rd February 1870.

No. 463. Read the following Proceedings of the Madras Government in the Marine Department, dated 18th February 1870, No. 51 :—

Read the following letter from the Master Attendant of Madras, to the Acting Chief Secretary to Government, Fort Saint George, dated 14th February 1870, No. 768.

As I find by a letter received from the Superintending Engineer of the 8th Division that he defers entirely to my opinion, as regards the locality for the projected Cape Comorin Lighthouse, I have the honour to request the permission of Government to defer my visit there till funds are available for its construction when the best site can be chosen.

THE Master Attendant, Madras, will, as proposed, postpone, for the present, his visit to Cape Comorin.
