*Proceedings of the Madras Government, Public Works Department,
24th February 1870.*

No. 496. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated camp at Pandanellore, 18th February 1870, No. 1,318.

WITH reference to G. O., No. 4,011, dated 27th December, intimating that Rupees 4,00,000 are to be deducted from the allotments in 1870-71 under the head of "Repairs—Agricultural," I have the honour to request that I may be informed of the sums to be deducted from the allotments for the 6th Division. The allotments are as per margin, and if the deductions made

Tanjore	...	...	...	...	RS. 2,10,000
Trichinopoly	...	...	...	...	82,000

are to be in proportion to the allotments for each division, they would amount to Rupees 82,000; if this deduction is to be

made, I would wish to surrender the whole amount from the allotment for Tanjore, reducing the allotment for that district to Rupees 1,28,000, which, I think, will be sufficient.

2. The allotment made in 1869-70 for Trichinopoly was Rupees 1,00,000 which has since been reduced to Rupees 70,000, and as estimates to the full amount of the original allotment have been passed, the allotment of Rupees 82,000 for 1870-71 will practically leave only 52,000 available for repairs in 1870-71.

3. I would take the opportunity of inquiring whether the allotments under other heads may be regarded as secure, and whether the works which have been stopped in 1869-70, but for which funds are provided in 1870-71, may be resumed in April, and whether preparations may be made for the commencement of new works provided for in the Budget of 1870-71 which have not yet been commenced.

No. 497. ORDER THEREON, 24th February 1870, No. 632.

ACCOUNT, No. 52.

THE subject of paragraphs 1 and 2 of this letter will be duly considered when the orders of the Government of

India upon the Budget for 1870-71 have reached this Government. Pending their receipt His Excellency the Governor in Council is unable to reply to the inquiry in paragraph 3 regarding allotments, or to give any authority for the commencement of work beyond that which the Budget Rules convey.

Allotments.—Passing orders on the letter from the Superintending Engineer of the 6th Division requesting to be informed of the sums to be deducted from the allotments for the division, with reference to G. O. No. 4,011 of 1869.

No 1318

Supy. 28
Camp Pandanallor 18th February 1870.

From

Captain P. F. Oakes R.E.
Supy. Engineer, 6th Division

To

Colonel C. A. Orr R.E.
Secretary to Government. P. M. D.

Sir

With reference to G. O. No. 4011 dated 27th December intimating that Rs. 4,00,000 are to be deducted from the allotments in 1870-71 under the head of Repairs "Agricultural" I have the honor to request that I may be informed of the sums to be deducted from the allotments for the 6th Division. The allotments

Tanjore - 2,00,000
Trichinopoly - 82,000
are as per margin and if the deductions made are to be in proportion to the allotments for each division they would amount to Rs. 82,000; if this deduction is to be made I would wish to surrender the whole amount from the allotment for Tanjore reducing the allotment for that District to Rs. 1,28,000 which I think will be sufficient.

2,00,000
82,000
1,28,000

The allotment made in 1869-70 for Trichinopoly was Rs. 1,00,000 which has since been reduced to Rs. 70,000 and as estimated to

to the full amount of the original allotment
Have been passed, the allotment of Rs 82,000
for 1870-71 will practically leave only
52,000 available for repairs in 1870-71.

3- I would take the opportunity of enquiring
whether the allotments under other heads
may be regarded as secure and whether
the works which have been stopped in
1869-70, but for which funds are provided
in 1870-71, may be resumed in April and
whether preparations may be made for the
commencement of new works provided
for in the Budget of 1870-71 which have
not yet been commenced.

I have the honor to be
Sir,

Yours most Obedt. Servant

H. F. Gates Captain R.E.
Supt. Engineer 6th Division

1. The first of these is the
 fact that the number of
 cases of the disease is
 increasing rapidly. This is
 due to the fact that the
 disease is becoming more
 common in the population.
 The second factor is the
 fact that the disease is
 becoming more severe. This
 is due to the fact that the
 disease is becoming more
 common in the population.
 The third factor is the
 fact that the disease is
 becoming more difficult to
 treat. This is due to the
 fact that the disease is
 becoming more common in
 the population.
