(Signed) G. CHESNEY,
Depy. Secy. to the Govt. of India.

To the Secretary to the Government of Madras, Public Works Department.

From the Secretary of State for India to the Government of India, dated 18th November 1869, No. 113.

I HAVE had before me in Council your despatch, No. 113, of 27th August last, and the copies therein enclosed of three Resolutions which you have caused to be circulated to the different Governments and Administrations and the officers serving under them, enjoining the necessity for strict attention to financial rules in the application of the Public Works grant.

2. From these Resolutions, and especially from the one dated 5th August last, it is evident that expenditure has been habitually incurred in the Public Works Department with little regard to existing financial regulations.

3. The unauthorized appropriation of sums sanctioned for specific works to works not included in the Budget Estimate is clearly inconsistent with any due control by your Government.

4. Your instructions are intended to obviate such irregularities in future.
