Proceedings of the Madras Government, Public Works Department,
1st March 1870.

No. 3. Read the following letter from the Officer in charge of Public Works Operations in the Wynaad, to the Secretary to Government, Public Works Department, dated Vythery, 18th February 1870, No. 110:—

I LEARN that Mr. Pringle, Assistant Engineer, lately doing duty in Vythery Range, has returned from sick leave. If Mr. Pringle's state of health permits it, and his services can be spared, I should be much obliged by his being ordered up to Wynaad, in order to give certain information regarding the accounts and stores formerly in his charge, which can hardly be done satisfactorily without his personal presence to explain.

2. Mr. Pringle had charge of the Vythery Range during my absence on leave, and on my return I found him in such a state of health as to be quite incapable of entering into any business; nor was there at the time any Overseer in the Range to give the required information.

No. 4. ORDER THEREON, 1st March 1870, No. 661.

ESTABLISHMENT, No. 1.

COMMUNICATED to Captain Smith with a view to Mr. Pringle being instructed to proceed to the Wynaad for the purpose indicated in this letter, if the state of his health will permit him to do so.
