Proceedings of the Madras Government, Public Works Department, 3rd March 1870.

No. 70. Read the following letter from Major J. F. FISCHER, R. E., Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 17th February 1870, No. 3,997.

I HAVE the honour to acknowledge receipt of G. O. of the 10th instant, No. 470, and beg to submit the following explanations.

2. When going to Nagpore in 1867, I submitted a bill for travelling expenses containing items for halts at various places, and this was passed by the Controller, Central Provinces, and not objected to by the Government of India; similarly on my return to Madras the Controller then passed my travelling allowance bill containing the claims for halts en route without any objection, and I concluded, therefore, I was entitled to the ordinary halting allowance sanctioned by Government under the same circumstances for my stay in Madras waiting for orders.

3. I would, therefore, solicit a re-consideration of the order disallowing my claims, on the ground that this has been passed to me before under similar circumstances.

No. 71. ORDER THEREON, 3rd March 1870, No. 693.

ESTABLISHMENT, No. 6.

THE Government see no reason to modify the view they have recorded in Proceedings, No. 470, of 10th February 1870, of the inadmissible nature of Major Fischer's claim for travelling allowance during his stay without employment at Madras.
