2 With reference to para 3 of G.O. dated 18 May 1869. No. 641, the Commissioners observe that they have been compelled to depend on tolls for some part of their resources. The only alternative would be a professional tax, which in the face of an Income tax of 2½ per cent, the Commissioners do not think it advisable to resort to.

Kistna District
Municipal Commissioners

Masulipatam
16th February 1870.

From,

J. A. C. Boswell Esquire
Officiating President
Municipal Commissioners
Masulipatam.

To, J. I. Minchin Esquire
Actg Chief Secretary to
Government in the Public
Department
Madras.

Sir

1. With reference to Section 31 of Act X of 1865, I have the honor to submit herewith for the sanction of Government the annual estimate of Receipts and Expenditure prepared by the Commissioners for the town of Masulipatam for the year ending 30th April 1871. It has been necessary to make certain alterations in the estimates formerly submitted to Government in connection last through the Secretary in the Public Works Department.

2. The Commissioners of Masulipatam request the sanction of Government for the levy of the following rates and taxes during the ensuing years 1870-71.

1. A rate on houses and buildings at 6 percent on the annual value thereof.
2. A tax on Arts, Professions, trades & callings

Honorary Secretary
Municipal Commissioners

3. Tolls on Carriages, Carts and Animals entering the Municipal limits.
4. A tax on Carriages and draught cattle as described in Schedule C to Madras Act X of 1865.
5. Fees on the Registration of Carts.

3- The Commissioners have requested me to represent to Government that the town of Masulipatam has suffered so much from the Cyclone of 1864 which deteriorated to a large extent the value of house property and the amount of trade in the town has fallen off so greatly that they consider it would be very inexpedient to raise the House tax beyond 6 percent. The Commissioners propose to avail themselves of all the other means of taxation permitted by the Act and they trust that under these Circumstances Government will not refuse to sanction the imposition of tolls as a source of revenue for the Municipality. It will be observed that no great lines of Communication pass through Masulipatam, so that these tolls will in effect be only a tax upon the trade of the town itself and the small amount of exports and imports at the port.

4- I beg to submit the names of the following residents for the approval of Government and appointment as Commissioners for the next year.

Charles Lennox Bruce Cumming Esquire.
Lieutenant William Henry Doskins.
Frederick Martyn Rickard Esquire.
John Thornton Esquire.
