Proceedings of the Madras Government, Public Works Department,
5th March 1870.

No. 130. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 5th February 1870, No. 3,863 :—

I HAVE the honour to forward herewith copy of a letter* received from the Executive Engineer in charge of the No. 3 Range, Godavery, and request you will be pleased to obtain the sanction of Government for writing off the amount (Rupees 3-8-0) disallowed by the Court to "Profit and Loss," or for charging the same to head "Contingencies" as proposed by Mr. Rundall.

* No. 761, dated 25th January 1870.

From J. W. RUNDALL, Esq., Executive Engineer in charge No. 3 or Western Delta Range, Godavery District, to the Superintending Engineer, 1st Division, dated Narsapore, 25th January 1870, No. 761.

I HAVE the honour to report that the Suit against me and the Sub-Collector of this district, and which I was permitted in Government Order, No. 3,557, dated 14th November 1868, to defend, has been dismissed as against me by the Civil Court of Rajahmundry, and plaintiff ordered to pay the costs.

2. The costs incurred by me were Rupees 7, but the costs sanctioned by the Court amounted to Rupees 3-8-0 ; hence Rupees 3-8-0 is still outstanding in my Accounts ; and I shall feel obliged by your applying for the Government sanction to my charging this sum off to "Contingencies."

3. I beg to bring to your notice that I applied to the Government Pleader of the Civil Court of Rajahmundry, who refused to defend the Suit at the fee which would be authorized by the Court ; what the bargain with the Government Pleader is I am not aware, but I had no alternative but to pay the fee demanded ; hence I did not recover the total amount of costs.

No. 131. ORDER THEREON, 5th March 1870, No. 706.

ACCOUNT, No. 10.

THE Government authorize the sum of Rupees 3-8-0 referred to in these papers being written off to "Profit and Loss."
