No. 161. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Palamcottah, 2nd March 1870, No. 2,804 :—

I HAVE the honour to represent that I am unfortunately unable to take advantage of the discretionary authority given in G. O., No. 546, of 16th ultimo, to incur outlay on absolute emergency, on account of my not having any further credit; and the Treasury will not of course disburse funds in excess of my drawing account, unless specially instructed by the Accountant-General. If, however, the Government will permit the Collector of Tinnevely to make disbursements not exceeding Rupees 20,000 on account of works that *have been* carried out on emergency, I would request that a telegram to that effect may be sent to Mr. Longley, and we would decide together as to the payments to be made within the permissive grant.
