*Proceedings of the Madras Government, Public Works Department,
10th March 1870.*

No. 231. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Camp at Kolianoor, 5th March 1870, No. 206 :—

With reference to the Order of Government of the 22nd February 1869, No. 578, I have the honour to report that T. Darmaroya Moodelly is unable as yet to pass the prescribed departmental test.

2. During the year he has had charge of the Tindevanum Talook he has carried out the works entrusted to him rapidly and successfully. He had been previously employed in the South Arcot District on road and bridge-work for twelve years. I have no hesitation in saying that he is a more useful member of the department and much fitter for the post of Talook Overseer than several of the passed candidates from the Civil Engineering College employed in the Salem District; in fact, than most of the Overseers in that district. I, therefore, request that Government will be pleased to exempt him from the examination, or at least to extend the time.

No. 232. ORDER THEREON, 10th March 1870, No. 758.

ESTABLISHMENT, No. 9.

In consideration of the favourable testimony borne to the qualifications of T. Darmaroya Moodelly, His Excellency the Governor in Council is pleased to exempt him from the prescribed examination for the grade of Talook Overseer.
