No. 151. Read the following despatch from the Right Honourable the Secretary of State for India, (Financial,) to His Excellency the Right Honourable the Governor in Council, Fort Saint George, dated India Office, London, 25th November 1869, No. 94 :—

With reference to your despatch of the 12th July 1869, advising me of the transmission to this country of the Warrant and Depositions in Overseer Turnbull's case in charge of Mr. W. E. Underwood, Deputy-Magistrate of Wynaad, I have to inform you that Turnbull has been committed by Mr. Vaughan, the Sitting Magistrate at Bow Street, to the House of Detention at Clerkenwell, preparatory to his being sent to India to take his trial for the offences stated in the Warrant for his apprehension.

2. Turnbull will be sent out in the ship *Sir Robert Seppings* which sails for Madras direct in the course of this month.

3. He will be in the custody of Thomas Coates, Master, and Samuel Stainforth, First Mate of the said ship, to whom, or one of whom, I authorize your Government to pay the sum of 30 guineas, upon the receipt of Turnbull from their hands into the custody of such person as may be appointed by your Government for that purpose. They will also be directed to hand over to the persons, who will receive charge of Turnbull on the arrival of the ship, the Warrant for his deportation to India signed by the Home Secretary, in accordance with the provisions of the 5th Section of the VI. and VII. Victoria, Chapter 34.

4. You will immediately communicate with your Law officers, with a view to Turnbull's being placed in legal custody upon the arrival of the ship at Madras; and I desire that immediate steps be taken for putting him upon his trial, and in the event of his conviction, you will furnish me with an official certificate, or other sufficient evidence of that fact, which will become necessary for gaining possession of one of the Bills of Exchange obtained by him and now in the hands of the French Police.
