*Proceedings of the Madras Government, Public Works Department,
12th March 1870.*

No. 264. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Cuddalore, 18th February 1870, No. 195 :—

With reference to G. O., No. 766, of the 10th March 1869, I have the honour to forward, for the sanction of Government, from the next year's Reserve under "Military," an estimate of Rs. 1,550, accompanied by plan and specification,

for the construction of an enclosure and sheds at the Malloor Railway Station for the protection of horses sent by rail to and from the Remount Depot at Oosoor in Salem.

2. The plan has been prepared in communication with the Remount Agent and approved of by him. The site was also pointed out to the Range Officer by Colonel Thompson. It is proposed to enclose an area of 100 feet square and to build therein four stalls and a gram-boiling shed.

3. When the estimate was first received in this office it amounted to Rupees 1,080, as it provided for sun-dried brick walls for enclosure, etc.; but, agreeably to G. O., No. 596, of the 24th February 1869, the estimate has been revised, and provision made for walls of more substantial materials.

No. 265. ORDER THEREON, 12th March 1870, No. 775.

MILITARY WORKS, No. 6.

THE Government approve of the estimate of Rupees 1,550 for the provision of the necessary accommodation at the Malloor Railway Station for the shelter of horses sent to and from the Remount Depot at Oosoor.

2. The Superintending Engineer of the 5th Division will apply for a grant for the work after the 1st April next.

(True Extract.)

Colonel, R. E.,
Secretary to Government.

To the Superintending Engineer, 5th Division.
" Controller of Public Works Accounts.
" Accountant-General.
" Military Department.
" Consulting Engineer for Railways.
