*Proceedings of the Madras Government, Public Works Department,
14th March 1870.*

No. 280. Read the following letter from Colonel G. W. WALKER, Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coimbatore, 16th February 1870, No. 161:—

I HAVE the honour to submit, for the sanction of Government, two estimates of
Rupees 1,100 and Rupees 1,020, respectively, for improvements to the Public Works Offices at Calicut and Malliaporum, accompanied by illustrative plans.

Two plans.
One estimate, Rupees 1,100.
One do. „ 1,020.

2. As stated in the specification of the former, the eastern face of the Range Office at Calicut, which faces the public coast road being unprotected by any verandah, is a perfect eyesore, and exposed to wind and dust and rain. It is proposed to add a verandah with bath room on that side, and Clerks and Lascars' rooms on the south.

3. The Malliaporum Overseer's Office, used also both by the Calicut and Palghat Range Officers when on circuit, requires enclosing from the high road which runs immediately alongside, and from incursions of cattle into the rear verandah. It is proposed also to put a good tiled roof over the cart-shed and store-rooms now thatched and in a dilapidated condition, and to add two small out-houses.

4. I have personally experienced the necessity of these improvements, and, though funds may not be immediately available, request the favour of their being sanctioned, in order that advantage may be taken of the earliest opportunity that may offer of providing for them.

No. 281. ORDER THEREON, 14th March 1870, No. 783.

CIVIL WORKS, No. 27.

THE Government approve of the estimates of Rupees 1,100 and Rupees 1,020 respectively for improvements to

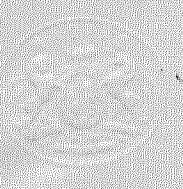

the buildings now occupied as Range Offices at Calicut and Malliaporum.

2. Colonel Walker will include the works in his statement of demands from the Reserve to be submitted after the 1st April next.
