*Proceedings of the Madras Government, Public Works Department,
18th March 1870.*

Read the following letters:—

No. 348. From the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 21st February 1870, No. 3,277.

I HAVE the honour to forward the accompanying original letter, No. 601, dated 17th February 1870 from the Supervisor in charge of Proddatoor Range, and request the sanction of Government to the proposals therein contained.

From the Supervisor in charge of Proddatoor Range, to the Superintending Engineer, 3rd Division, dated 17th February 1870, No. 601.

With reference to your Endorsement, No. 3,108, on G. O., No. 349, dated 27th January 1870, I beg to inform you that I will, as directed, take steps to dispose of the chunam and other perishable materials collected for the Jammalmudugu and Proddatoor Talook Cutcheries. I request permission, however, to retain the watcher at Jammalmudugu as the store-shed of the talook is at Shettivaripully, and the expense incurred in carting the timber will consequently be heavy.

2. I beg further you will be pleased to allow me to complete the shed at Jammalmudugu from the sale-proceeds of the chunam, etc., so that the timber and other articles received from Madras may be carefully secured.

No. 349. Endorsement of the Superintending Engineer, 3rd Division, dated Bellary 10th March, 1870, No. 3,491.

Copy of a letter from the Supervisor in charge of Proddatoor Range, to the Superintending Engineer, 3rd Division, No. 631, dated 5th March 1870.

With reference to your Endorsement, No. 3,382, of the 1st instant, on G. O., No. 89, dated 25th February 1870, I beg to inform you that the probable cost of removing the wood-work of the Jammalmudugu Talook Cutcherry to Shettivaripully would be Rupees 160.

2. The shed at Jammalmudugu was erected for the purpose of storing materials, etc., for the Talook Cutcherry; the amount already expended on the work is Rupees 263-2-4, and Rupees 187 will be required to complete it.

SUBMITTED for the information of Government with reference to Memorandum, No. 89, dated 25th ultimo.

(Signed) J. G. PALMER, Lieut.-Colonel,
*Executive Engineer,
For Supg. Engr., 3rd Division.*

No. 350. ORDER THEREON, 18th March 1870, No. 815.

CIVIL WORKS, No. 33.

UNDER the circumstances brought to notice in these papers, the Government approve of the shed at Jammalmudugu being completed from the Minor New Works allotment under "Civil Buildings" for 1870-71, to which head the cost of the watcher should also be charged.

Sir

With reference to your endorsement No 3108
on p. O No 347 dated 29th January 1870. I beg to inform
you that I will as directed take steps to dispose of
the Charcoal & other perishable materials collected for the
Jammalundum and Poodotane Selby Outposts. I request
permission however to retain the Watchdog at Jammalundum
as the Store shed of the Selby is at Kattisripully and
the expense incurred in carting the timber will consequently
be heavy.

2 I beg further you will be pleased to allow me
to complete the shed at Jammalundum from the sale
proceeds of the charcoal &c so that the timber and as
other articles received from Madras may be carefully
secured.

I beg to remain
Sir

Yours most Obedient Servant
