*Proceedings of the Madras Government, Public Works Department,
19th March 1870.*

No. 361. Read the following Endorsement of the Controller of Public Works Accounts, dated Madras, 17th March 1870, No. 2,443 :—

Read the following letter from the Superintending Engineer, 5th Division, to the Controller of Public Works Accounts, dated Cuddalore, 14th March 1870, No. 278.

In reply to your No. 384 of the 11th March, I have the honour to inform you that Mr. Wilson's resignation of his appointment was accepted by Government on the 1st of February. His letter, dated Salem, 5th of February, applying for a month's privilege leave, I forwarded for the Orders of Government, and the Executive Engineer of Salem has informed me that on the 8th of February he allowed Mr. Wilson to quit Salem, in anticipation of ten days' casual leave being granted by me. Mr. Wilson's own views on the subject will be found in his letter to me, dated Pondicherry, 24th February 1870.

2. In conclusion, I have to state that Mr. Wilson has only himself [to blame for any delay there may have been. Had he remained at Salem or gone to Madras, he could have obtained the necessary papers and got his claims settled in a few days.

From J. L. WILSON, Esq., C. E., to the Superintending Engineer, 5th Division, dated Pondicherry, 24th February 1870.

With reference to my letter dated the 14th instant, asking you to forward me a form of the Agreement required by Government in their Order, No. 383, dated 1st February 1870, I have the honour to inform you that I have not as yet received it.

2. You stated, in reply to the letter above referred to, "that you had not the form in your office," but sufficient time has now elapsed for you to have obtained the necessary instructions from Madras.

3. Any delay that may have been occasioned has not been caused through any fault of mine, and I wish most firmly but respectfully to state that, as I am entitled to a month's privilege leave,*

* Applied for in the proper way on the 22nd January 1870. I shall consider myself as being on full pay, until the Agreement or Bond is signed, and the gratuity received. My wish is to return to England as soon as possible, and any further delay will not only cause me further expense, but may also be the cause of my losing an opportunity of obtaining an appointment at Home.

4. I, therefore, now respectfully request that you will be good enough to obtain for me the Bond required in the G. O. referred to, or else inform me if I am to apply to Government direct for it.

SUBMITTED for the consideration of Government, with reference to their Proceedings of the 11th instant, No. 771, and

To be kindly returned. with a request that it may be definitely determined whether Mr. Wilson should be regarded as having ceased to do duty in the department on the 7th February 1870.

2. Under the rules, an officer holding a gazetted appointment is not eligible to casual leave.

(Signed) S. BROCK,
Controller of Public Works Accounts.

No. 362.

ORDER THEREON, 19th March 1870, No. 821.

ESTABLISHMENT, No. 21

As Mr. Wilson appears to have left the range in which he was doing duty on the 8th February, the Government consider that, as a special case, his salary up to that date may be paid to him.

2. If any avoidable delay has occurred in the disbursement of the gratuity payable to Mr. Wilson on his executing the requisite deed of release after his resignation of his appointment, it has been entirely caused by his proceeding to Pondicherry and remaining out of the jurisdiction of the British Government.
