*Proceedings of the Madras Government, Public Works Department,
21st March 1870.*

No. 386. Read the following letter from the Officer in charge of Public Works Operations at Cochin, to the Secretary to Government, Public Works Department, dated Cochin, 17th March 1870, No. 156:—

I HAVE the honour to request the sanction of Government for an approximate estimate of 50 Rupees to repair trifling damages caused to the church at this station by a storm that passed over it on the night of the 15th instant.

2. The damage consists in the removal and displacement of the tiles on three or four squares of the roof, and in the breakage of some venetian leaves of the windows. The repairs, though trifling, are emergently required, and at the request of the Lay-Trustees I have arranged to have the work done at once, in anticipation of the sanction of Government.

No. 387. ORDER THEREON, 21st March 1870, No. 835.

CIVIL WORKS, No. 36.

The proceeding of the officer in charge of Public Works Operations at Cochin, as reported in this letter, is approved, and with a view to adjust the estimated expenditure of Rupees 50, the Government sanction the transfer of that amount from the allotment for repairs under "Communications" in the Godavery District.
