No. 441. Read the following letter from Lieutenant-Colonel J. A. M. MACDONALD, Deputy Secretary to the Government of Bombay, Military Department, to the Secretary to the Government of Madras, dated Bombay Castle, 28th February 1870, No. 893 :—

I AM directed to forward the accompanying copy of papers cited in the margin regarding a claim, to compensation for loss of staff pay, preferred by Major C. J. Darrah, R. E., for the period between his giving over charge of his range in the Public Works Department at Madras, and his assuming charge of the Bombay Sappers and Miners, and to solicit the favour of information as to the circumstances under which Lieutenant Morant, R. E., the Officer transferred from Bombay to Madras in exchange for Major Darrah, was brought on the strength of the Madras Public Works Department from the date he was relieved of his charge under this Presidency.

Memorandum from the Secretary to Government, Public Works Department, No. 36-E.-105-M., dated 20th January 1870.

TRANSFERRED to the Military Department for consideration and disposal.
(Signed) M. K. KENNEDY, Colonel, R.E.,
Secretary to Government.

From Major C. J. DARRAH, R. E., Officer Commanding Sappers and Miners, to the Under Secretary to Government, Public Works Department.

In submitting the accompanying correspondence for your information, I have the honour to draw your attention to paragraph 2 of G. O., No. 2,062, of the 24th June 1869, of the Madras Government, with a view to requesting Government to allow me the same compensation as has been granted to Lieutenant Morant, R.E.

2. I may add that the staff pay of my present appointment does not exceed that which I was receiving in Madras as an Executive Engineer, 3rd Grade.

P. S.—It is requested that the accompanying documents may be returned.

From Major C. J. DARRAH, R. E., Officer Commanding Sappers and Miners, to the Paymaster, P. C., Poona, dated Camp at Kirkee, 22nd July 1869, No. 120-P.-M.

In transmitting the accompanying claim for compensation allowance between the time of my giving over charge of my range in the Public Works Department, Madras, to the time of assuming charge of the Bombay Sappers and Miners, I have the honour to refer you to the accompanying Order of the Madras Government, by which you will see that Lieutenant Morant has been taken on the strength of the department he now belongs to, from the time of his giving over charge in this Presidency.

Report from Lieutenant-Colonel E. SOUTHEY, Acting Controller of Public Works Accounts, dated Bombay, 15th January 1870, No. K.-40.

MAJOR DARRAH was transferred from the Public Works Department of one Presidency to the Military Department of another, and the claim which he prefers for staff salary for the period

occupied in travelling to join his new appointment should therefore be considered in the latter department against which, if admitted, it would be a charge.

Report from Major W. T. CHITTY, Officiating Controller of Military Accounts, dated Poona, 5th February 1870, No. 205.

NOTHING is known in this office regarding the transfer of the services of Lieutenant J. L. L. Morant for those of Major C. J. Darrah, the latter Officer having been employed under the Madras Presidency as an Executive Engineer, 3rd Grade.

2. Major Darrah appears to base his claim to compensation for loss of staff pay as Executive Engineer, 3rd Grade, on the fact of Lieutenant Morant having been taken on the strength of the Madras Public Works Department from the date he was relieved of his charge under this Presidency, the appointment he held having been in Executive charge, Parpoolee Ghat, the salary of which is that of an Executive Engineer, 3rd Grade. Under Art. 339, page 207, 3rd Appx. in the interim between joining one appointment and delivering over charge of another, the Officer could only draw Regimental pay and allowances; but in the cases of transfers of Departmental Staff Officers from one station to another, on public grounds, they continue to draw their staff pay; when, however, the transfer is made between two Presidencies, that rule has not been applied, so far as is known to this office.

3. Perhaps the present claim may be forwarded to the Madras Government for a statement of the case as affecting Lieutenant Morant, which appears similar to that of Major Darrah.

4. Commandants of Native Regiments, when transferred from one corps to another, on public grounds, receive their full staff pay, but without incurring extra charge to the State; the second in command assuming the temporary charge without any extra remuneration under the decision of the Government of India, conveyed in Government Resolution, No. 18, 4th January 1865.

Officiating Controller of Military Accounts.

ESTABLISHMENT, No. 28.

SIR,—With reference to Colonel Macdonald's letter of the 28th February 1870, No. 893, to the Secretary to the Government of Madras in the Military Department, and which has been made over to this department, I am directed to state that as Lieutenant Morant's transfer was ordered on public grounds and not at his own request, this Government were of opinion that no pecuniary loss should be allowed to fall upon him, and accordingly directed that he should be brought upon the strength of the Public Works Department of this Presidency from the date on which he might be relieved of his charge in the Bombay Presidency. Major Darrah's case is different, as his transfer, it is believed, was made at his own desire.

Major Barrak appears to base his claim to compensation for loss of Staff pay as Executive Engineer 3rd grade, on the fact of Lieut. Morant having been taken on the strength of the Madras Public Works Department from the date he was relieved of his charge under this Presidency, the appointment
