*Proceedings of the Madras Government, Public Works Department,
28th March 1870.*

No. 446. Read the following letter from the Superintending Engineer in charge of 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 12th March 1870, No. 6,001:—

I HAVE the honour to inform Government that a sum of Rupees 1,994, being the balance of the reduced maintenance grant* in the 3rd Range of the Madras District for the Southern or Trunk Road No. II., is available for transfer to meet a portion of the excess of Rupees 3,564 on the Western or Trunk Road No. III., entered in my statement of Demands, Part IV., which accompanied my letter, No. 5,822, dated 3rd March 1870.

2. I did not enter the amount in Part II. of the above statement as the balance was required to be expended on the road; but on further consideration I think it will be desirable to transfer it to the road above mentioned, on which there has been an expenditure in excess of the reduced allotment.

No. 447. ORDER THEREON, 28th March 1870, No. 865.
