*Proceedings of the Madras Government, Revenue Department,
4th January 1871.*

No. 16. Read the following letter from the Commissioner of the Neilgherries, to the Acting Secretary to Government, Revenue Department, dated Ootacamund, 19th October 1870, No. 57:—

I HAVE the honour to forward the annual Budget of receipts and expenditure of the Superintendent Cinchona Plantations for 1871-72.

2. It will be noticed that there is a reduction of Rs. 6,300 on the Budget of the current year. In the event of Government deciding upon abandoning the Maikondah Cinchona Plantation, as proposed in paragraph 9 of my letter, No. 25, of 28th May last, the provision of a permanent Overseer, on Rs. 40 per mensem, will not be necessary, and some further reduction in working charges will be feasible.

No. 17. ORDER THEREON, 4th January 1871, No. 8.

Miscellaneous.

With this letter the Commissioner of the Neilgherries submits the Budget-estimate of receipts and charges for the Cinchona Plantations and Botanical Gardens for 1871-72.

2. The sale-proceeds of Cinchona and Tea plants in the next year are estimated at Rs. 500. The actual collections by the sale of Cinchona plant only from the time the plantations were first formed, as given in the Accountant-General's letter, dated 19th January 1870, No. 323, are shown in the margin, and large differences are observed between these figures and those entered in Mr. McIvor's Budget-estimates. The Government will not alter the estimate of receipts for next year framed by Mr. McIvor, but they desire that the Commissioner of the Neilgherries will investigate the discrepancies in the returns of past actual receipts as noted in the margin, and report the result.
